FOREWORD

We, the Highlander Staff of 1949, hope to create a yearbook that will be a most enjoyable and memorable reminder for the ensuing years. Amid these pages are pictures and writings, which in future years as we take this book down from the shelf, blow the dust off, and turn the leaves one by one, will bring back memories of the last year we spent in school as Seniors, with you.

The staff, working together, have compiled this yearbook with much work, together with enjoyment, and present it to you with the sincere hope that it will serve as a future archive to look back upon and over which to reminisce.

We are appreciative to Mr. Witter, our advisor, and to everyone else who has had a part in making this yearbook possible. Our best wishes go to the class of '50 for an equally successful yearbook.

ADMINISTRATION

1st row--Mrs. Longstreet, Mrs. Hyland, Miss Price, Mrs. Morehouse, Miss Connolly, Mrs. Sullivan, Mr. Depew, Mrs. Utter, Mrs. Frank, Miss Preston, Mrs. Strayline, Mrs. Rapalee, Mrs. Armes; 2nd row--Mrs. Salad, Mrs. Cook, Mrs. McCullough, Mrs. Willis, Mrs. McCarrick, Mrs. Strowbridge, Miss Lafler, Miss Hallager, Miss Longwell, Mrs. Gardner, Mrs. Ruddick, Mrs. DeLaVergne, Mrs. Hyatt, Mrs. Johnson; 3rd row--Mr. Barnes, Mr. Deller, Mr. Alger, Mr. Witter, Mr. Greyback, Mr. Poten, Mr. Bradley, Mr. Kullman, Mr. Morse, Mr. Dibble, Mr. Connors

Congratulations to the members of the class of 1949 upon your completion of high school. You have persevered well enough to graduate and that alone places you among the groups who are better prepared for life and better able to continue the democratic way of life in our complex society. The responsibilities of citizenship in a democracy are tremendous. During your high school years, parents and teachers have worked together to develop in you such characteristics as loyalty, honesty, cooperation and independent thought. From now on, it is the task of boys and girls, as they become men and women, to help shape the future of our country and, indeed, the world.

The Board of Education and Faculty have watched you grow and develop with personal interest. We now wish you well in your step forth to post high school life and during the years to come.

BOARD OF EDUCATION

DEDICATION

ROBERT
MEAGHER

The Senior Class of Dundee Central School takes pleasure in dedicating the 1949 Highlander to a former Agricultural teacher Robert Meagher, whose understanding, helpfulness and cooperation in the field of sports and rural activities made him one of the outstanding and most popular teachers who has ever taught in this school. He served our school and community from January 1938 to June 1948.

Graduating from the State College of Agriculture at Cornell with a degree of Bachelor of Science and having done graduate work toward his Master's degree, Mr. Meagher came to Dundee Central as Instructor in Agriculture Department.

An excellent collegiate and a three letter man in football, basketball and baseball at Cornell, he continued his work in sports by coaching the F.F.A. team in Basketball at Dundee scoring with some championship teams. As track coach for Dundee he made outstanding records as he likewise did for Penn Yan High for two seasons. Mr. Meagher produced championship teams.

The veterans program was organized by Mr. Meagher and was cited for excellence by the State Director and Washington authorities for having the largest class with the best attendance record as well as for the quality and activity of his programs.

Mr. Meagher is now associated with Bethlehem Central School in Delmar, N. Y. in the capacity of Agriculture and shop instructor.

He is coach of the F.F.A. Basketball which has made a fine showing this year. In addition to this he is coach of the basketball team of Albany College of Pharmacy for which he has received sports' recognition.

Friends, former students, and associates of Dundee wish him much happiness and continued success in his new field at Delmar, New York.

CLASS POEM

by Karl Margeson

Our school days were
happy days,
Which none of us will
deny,
For the pleasures
they brought us,
Money could never buy.

Besides achieving our
goals
We have had lots of
fun,
Taking part in other
activities,
And we are proud of
the things we've done.

Reaching the end of
our school days
We stop and reminisce,
Thinking of our teachers
and classmates,
Whom we all shall
truly miss.

No matter where we may
go,
Or how far we may be
apart,
We shall always hold
a place
For our alma mater
within our hearts.

We know that behind us
we are leaving
Some of the very best
days of our time,
And in parting we hope
most sincerely,
You'll always remember
the Class of '49.

IN MEMORIAM

It is with deep regret that death claimed our classmate, Doris Hall, early in her high school career. Doris was a girl of wholesome qualities and her personality was infectious to all who knew her. The friendly spirit with which she always attended her classmates has been greatly missed, but nevertheless, it has continued to prevail among us and has added to the character of her classmates considerable richness of the fine memory she has left behind with us.

We, the class of 1949 wish to express our sympathy to the Hall family. In spite of the fact that Doris has been taken from our midst, the Hall family has made a great contribution to society by having loaned Doris to us, even though her stay was all too brief.

CLASS OF 1950

1st row--M. Kuver, A. Travis, E. Allen, A. Shults, V. Dlugosh, J. Grace, B. Inscho, L. Travis, J. Haight, E. Parmalee; 2nd row--D. Jayne, D. Serefine, J. Gardner, M. Woodard, G. Bogart, L. After counting noses this September, we found two extra "men" in the class; namely, Bill Hafleigh, hailing from Philadelphia, and Gordie Tubbs, Cornell's pride and Coach Snaveley's cub reporter (so he says). Mr. Deller was again elected as our advisor, and the class officers include: Joyce Gardner, the Queen of Wayne, is our Vice-President. Bill Hafleigh is our chief money man with access to our bank account (yuk yuk). Willie Hartman, the quietest boy in school, is our private secretary; while yours truly is "Heap Big Chief."

Early in the year our class dues were set at \$1.50 with a cut-rate for promptness. Our rings were selected early in the fall, and arrived in October. As the year commenced we decided to have a money-raising project, (selling Christmas cards). This was our first class project and was executed with success. No remarks! On Oct. 8th a well planned, twice postponed hayride turned out to be a movie in Watkins and a lunch at Peele's. Mary Woodward spent a day baking cupcakes; and even though it did rain, we had a good time; that is all but Hughy, who stopped the show with a "White Owl."

We are looking forward to a successful Junior play and prom. Those poor Seniors are working like beavers for their trip. They just seem to be lacking in business sense. We Juniors have so much why should we fight it?

FRESHMEN

SENIOR HISTORY

Turning back the pages of time, we look upon a scrubby class of seventy green students, better known as the Freshman Class in September 1945. Our reputation as noise-makers became quite notable from that time on. The teachers were telling us that they had never seen such a group of troublemakers. Even then Audie Chadwick was kept busy teasing Mary Cadwell.

Throughout the year our class held several enjoyable events such as the frosh hayride and some parties. During that year, Kelsey Chadwick, served as our class president. All in all our freshman year was not one to be forgotten.

TIME MARCHES ON----

Here we are--big sophisticated Sophmores, Josephine Dlugosh is elected as our worthy president. Each day we gaze upon those new freshmen. How in the world could they ever be so noisy, and act like such devils? We were never like that, or were we? Finding that our subjects are a trifle harder, than the year before, most of us settle down, "to work?" Incidentally, our classmates have dropped in number to sixty-one. It was during this year that our hearts were sorrowed by the death of one of our classmates, Doris Hall, who was a friend of all and a swell girl. Everyone had a good time in presenting our Sophmore Play which was given in an Assembly Program. This play was about the only social event undertaken by our class that year.

TIME MARCHES ON AGAIN----

JUNIORS----two more short years ahead of us. Dick Petersen was elected president to lead us through this eventful year. Already we are beginning to celebrate our good fortune of having come so far in school, so again we commence a noise campaign. More and worse remarks are heard from our beloved teachers. We all had a wonderful time at such occasions as our Junior Play, Junior Prom and the Junior-Senior Picnic.

TIME IS STILL MARCHING ON----

SENIORS-----At long last; Again Dick Petersen was elected as class president, which was by no means an easy job. Now there are only thirty-eight survivors of our original seventy. Finding that our treasury was badly in need of funds, we started out on a large scale project to raise some money for our long awaited Senior Trip. Among the ways we attempted to raise money were bake sales, magazine subscriptions, barn dance, pencils, candy, and last but not least by far, our Senior Play "Night of January 16th." In the future we are expecting to hold our Senior Ball. Also to be awaited is our class trip, the annual Junior--Senior Picnic, and finally graduation day.

We all wish to express our deepest thanks to our teachers and Mr. Depew, our principal. They have all been very kind and patient with us, and we will never forget them.

TIME TO BE AWAITED----

Mr. Poten, former teacher of
Junior High Reading and Spelling,
left Dundee Central at the termina-
tion of the first semester to ac-
cept a position at the Port Wash-
ington Station on Long Island. He
has been contracted as principal of
the school. Congratulations.

Under the expert supervision of Mrs. Ruddick, these children, in addition to studying their regular subjects, have carried on many original activities this year. Included in these are caning chairs, making hooked rugs, making posters to represent business concerns of this village and decorating their room for all holidays such as Christmas, St. Patrick's Day and Easter.

The remarkable improvement which these children are showing may be contributed to Mrs. Ruddick for her fine guidance.

KINDERGARTEN

ACTIVITIES

There have been many enjoyable activities throughout this school year. Members of the Freshmen, Sophomores, Juniors and Senior classes have participated in their individual class activities.

First we'll take a glance at those fresh, young Freshmen. For them, it was starting out their fun with a glorious hayride on a beautiful night in October. Most of their class went and also some invited guests. Refreshments were enjoyed by the "Hay-riders" following their ride. They have added \$16.00 to their treasury so far this year. We are looking forward to seeing the Freshmen play which will be coming soon.

This takes us up to see what the Sophisticated Sophomores have been doing. They also started out with a hayride in October--seems to be quite the sport this year. This class is getting rich pretty fast now for they are selling paper, pencils, erasers, and such school supplies in the corridors before school and during the noon hour. They tell me they are gaining on the profit. The Sophomores also will present us with an entertaining assembly program scheduled for April 8th this year. This is the class in which Johnny Cadwell has been known to us as "Elmer" in their play series. The Stanton girls, Jane Kleckler, and the rest of the play cast put on these comedy plays like real actors. The Sophomore class surely can do it so we'll be looking for your play again this year.

The rival Juniors! Hayride? Of course! Everyone else had one, why couldn't they? They switched theirs over into November. They made much profit this year selling Christmas Cards. This is the rich class! They got their classy Jr. rings this year, too. We hope to see the annual Junior play and hope it will be a big success. We are also looking forward for our Junior Prom in May. This is the dance of which Miss Carolyn Hall was queen last year, remember? Good luck and best wishes to the Junior Class.

Here we are! At the top of the list is our mighty Senior Class--we think. This has been a busy year for us. Of course, I must tell you first of all that we had a hayride in October! Yes, this was much fun. To remind you we really did have one, I bring to your minds a girl who went around with two black eyes and a swollen forehead and nose. The only hay-ride casualty, Alice Griswold. We then had a square dance here at the school with a new orchestra, the "Tuney Rhythm Makers." We had a big crowd and lots of fun. We didn't make as much as we expected, but a lot of hard work by the Seniors put the dance over. We have sold Ever-sharp pencils in our school colors, Christmas wreaths, and beautiful napkins. We really made a profit on the napkins. Then came our Senior play under the direction of Mrs. Utter. The play "Night of January 16th," put on the nights of Nov. 18th and 19th was much different from any put on in Dundee. It was a courtroom play with a jury selected (from names in a box) from the audience each of the two nights. The play cast really put on a swell job. The bored judge, Alden Chadwick, was really swell. The two attorneys were "Dick" Petersen, prosecuting attorney, and "Dick" Bailey, defense attorney. "Peggy" Wells, posing as Karen Andre, was the defendant on trial for her life. She was found not-guilty the first night, and guilty the next night. The Junior play, put on by this same class last year was also a great success.

The Seniors are looking forward to their trip to New York. Right now they are busy working on their "Highlander," Senior Ball and other activities to come during the year.

The Senior Class thanks Mr. Witter for his invaluable service in making our yearbook successful. We, also, thank Mrs. Sullivan and Mr. Morse, our advisors, for their great cooperation throughout the year.

Good luck to our fellow classmates.

GIRLS SPORTS

Sports have always been an important part of our school life. The senior girls have always participated in them.

Our freshmen year saw our class not doing so well. In our sophomore year, the class of '48 were so good, there was no beating them. By the time we were Juniors, we were (we thought) really good. I don't know what happened to the class of '48 but we won every game we played. This year, we also won the softball championship. We are fair this year, but not what we were a year ago.

When we were sophomores, we began having playdays in basketball. Dundee won the championship. Softball and volleyball were added in our Junior year. We won basketball and came in second in volleyball. Playing two games of softball with Odessa, we lost one and won one. Track was also added and the Dundee girls won. We haven't had any playdays yet this year but we are looking forward to them with much eagerness.

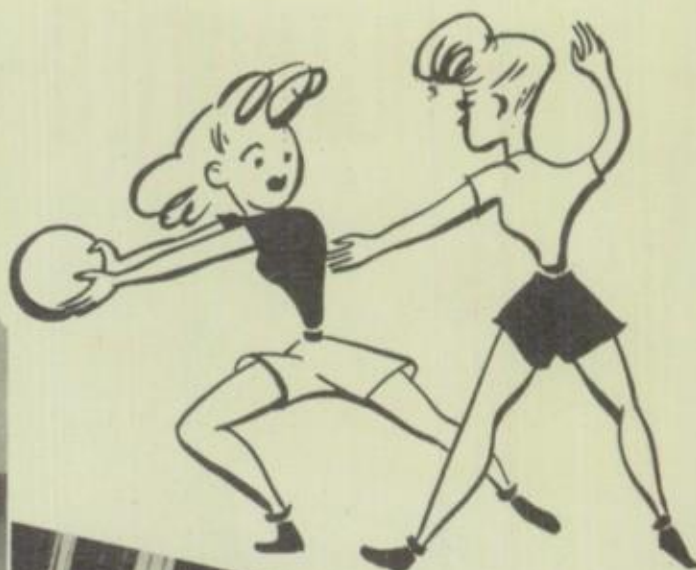

The basketball tournament which is going on at the present time stands as follows:

class	won	lost
Freshmen	0	5
Sophomores	3	2
Juniors	3	1
Seniors	3	1

We haven't finished the tournament yet but there are several good teams. The winner would be hard to choose as the yearbook goes to press so good luck to everybody.

The senior class wants to express admiration where admiration is due. This admiration goes to the Freshmen, Sophomores, and Juniors; they all have swell teams and swell girls with whom to play. We wish you much success in the coming years when we are not here.

CHEER LEADERS

BOYS SPORTS

The boy's sports were very interesting this year. The season was started with football. "Killer" LoVette was on the team, so they won only one game for the season, but the games were better played then the scores indicated. They should have a very good team next year as they will have most of the players back from this year except "Killer." Rah-Rah-Rah.

Basketball came in due season with a team showing promise in the first four of five games. Then a bit of bad luck set in for a spell. However, And Chadwick kept getting his twenty or more points per game. He had well over two hundred for the season. The rest of the team played well even Red Woodard. He would have done much better had it not been for evening competition from Bigelow Avenue. The team took third place in the league standings. "Bill", that tow-headed Junior (not a Senior) ought to make the team next year if he puts forth a lot of hard practice. The team was chosen to play Newark in the class "A" sectionals but lost to their worthy and more superior opponents. Wixson would be a better athletic if he stayed home instead of being seen on Main Street about every night.

The Volleyball team is now beginning their season on the court. They have lost one practice game but they are improving with each practice. If Bill "Moose" Meinen could jump higher without an encouraging prod from Mr. Alger's tie pin, he would be an excellent addition to the volleyball team.

The track and baseball season have not begun as yet. However, this reporter believes that there are good possibilities this year for these two teams in spite of a loss of team mates due to graduation last year.

Throughout the year interclass sports have been under way. The Seniors have lead the race for championship points. The big dane they call "Pete" has helped us to many wins. He was supported by the fighting courage of the entire senior male population. One day each week is set aside during the winter season for boys wishing to bowl. It has proved good exercise and lots of fun. Do you think Ed Hunt will ever get over "98"? He is trying hard to tie "Slim" Margeson who bowls a sizzling game of 101 when he is lucky.

Good luck to all the teams.

YEARBOOK STAFF

It has been the wish of the Highlights staff of 1948-49 to produce a school paper which would bear the qualities excelling those of the Highlights of past years. Now, near the close of the year, we believe our goal has been accomplished.

Through the cooperation of the grades, homerooms, and special dept., our reporters have increased the public's knowledge of activities being carried on during this school year.

To Karl Margeson, whose untiring efforts as a faithful sports reporter have spotlighted these events for our school, we pay tribute.

Through the combined efforts of the members of the Highlights staff and the expert supervision of Mrs. Utter, our capable advisor, we believe our paper has been a success.

Yearbook Staff Editorial

From the Associate Editor's Viewpoint

We, the Juniors, sincerely hope that we can produce a yearbook equal to the quality and high standards of this publication sponsored by this year's Senior Class. During the past year they have endeavored to create a yearbook which would meet the approval of all underclassmen and be a credit to themselves and their school. Much time and labor has gone into making this yearbook a success and one which you may enjoy. We believe it will be a major inspiration to all classes which follow and a lasting dedication to Dundee Central School.

We have learned much from our experience this year while working with the Seniors and sincerely hope that our efforts next year will reward us in equal measures.

-STUDENT-COUNCIL

In September 1948 this chapter of the National Honor Society held its first meeting of the year. At this meeting we elected the following officers: Dick Bailey, president, Virginia Dlugosh, vice-president, Josephine Dlugosh, secretary, and Lucienne Hubbell, treasure.

One of our first projects of the year was an attempt to raise money for the purchase of various Honor Society pins.

As the half year mark arrived, we found it was time to initiate certain new members who fulfilled the requirements necessary for joining the Honor Society. Among the new members were Janet Grace, Joyce Gardner, and Elizabeth Duby. They were inducted in an assembly program before the high school.

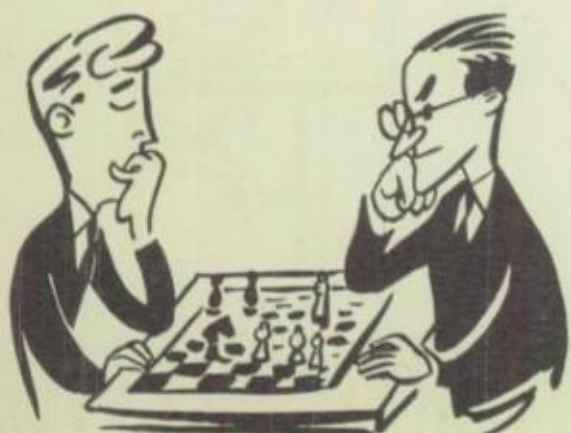

It is our sincere desire that all who are deserving and eligible will attain membership in years to come and enjoy benefits and associations that have been ours through this organization.

The Student Council of the Dundee Central School is comprised of a group of students chosen from the various homerooms from seventh grade to twelfth grade inclusive. The purpose of the Student Council is to make laws beneficial to the students, are to see that the students abide by these laws. They also take part in various programs such as Career Week, electing cheerleaders, and approving managers for the school athletic teams. They also award the white D's.

Students who have been elected to this council should feel proud as it is one of the highest honors a student in high school can obtain. It has been a great honor and pleasure serving as the president of this group as we have endeavored to give you good gov't and leadership.
